In first part from use of 1000s & 1000s
ocelli on caterpillars -

In 2nd & 3rd in part - from the
caterpillars pupae & imagoes the stage
that was present - & the 2nd group
very many - & 2nd group in 2 groups

to be present - & 2nd group in 2 groups
add a 1st group in 2 groups

Then - 2 groups of
Hymenoptera tent cases -

(Good evidence of
Hymenoptera tent cases -
Corymbus King)
